

CONFIRMATION OF MUSIC WORKSHOP LEADERSHIP

Barzakh gGmbH hereby confirms that percussionist and composer **Elias Aboud** designed and led the music education project “**Percumania**” at **Schule am Regenweiher in Berlin** from May to November 2025.

The project consisted of a series of regular percussion workshops for children between the ages of 7 and 14. The workshops took place once a week and, during some periods, twice a week.

The programme began with body percussion and gradually introduced the children to a wide range of percussion instruments. During the workshops, the participants learned basic playing techniques, explored sounds and rhythmic patterns, and created short musical pieces together.

The workshops focused on active participation, listening, group playing and creative musical expression. The project concluded with an informal school performance in which the children presented the musical work they had developed during the programme.

This document confirms Elias Aboud’s work as the artistic leader and workshop instructor of the project.
